As a general reference: Summary of my biography has been printed by:

- Who's who in the World, 16th edition, January, 1999, USA.
- Who's who in the World, 17th edition, USA.
- Dictionary of International Biography, 28th ed., International Biographical Center, UK.

Degrees

1. Diploma in Mathematics

Forsat High School, Tehran, Iran, 1969-1975.

Scores average: 16 out of 20. (I received my diploma when I was 16 years old).

2. BA. in Political Science

School of Political and Social Sciences, Tehran, Iran, 1975-1978.

Scores average: 3.02 out of 4. (I received my B.A. degree when I was 19 years old).

3. MS. in Economics

Major: Economic Development & Planning.

Shiraz University, Shiraz, Iran, 1979-1983.

Scores average: 3.78 out of 4.

Prima distinguished graduate.

4. Ph.D. in Economics

Major: Econometrics.

Minor: International Economics.

Islamic Azad University, Tehran Iran

With cooperation of Neuchatel University, Neuchatel, Switzerland, 1985-1989.

Scores average: 18 out of 20.

Prima distinguished graduate. Full four years scholarship.

Major Fields of Experiences

1. Econometrics
2. International finance and trade
3. Monetary theory and policy
4. Economic planning
5. Economic development
6. Quantitative methods and mathematical modeling
7. Operation research
8. Mathematical statistics
9. Multivariate statistics
10. Numerical analysis
11. Mathematical programming
12. Mathematical-Statistical computer software
13. Government fiscal policy
14. Islamic Banking
15. Islamic Economics
16. Islamic Law
17. Islamic Sufi Philosophy

Complementary Educations and Degrees

1. English Language
Davies's School of English, London, England, 1976.
2. Linear programming
Plan and Budget Ministry, Tehran, Iran, 1983.
Score: 93 out of 100
3. Project control systems
Plan and Budget Ministry, Tehran, Iran, 1983.
Score: 93 out of 100
4. A Comprehensive course in demography
Plan and Budget Ministry, Tehran, Iran, 1983.
Average score: 97 out of 100
5. Systems of national accounts.
Plan and Budget Ministry, Tehran, Iran, 1983.
Score: 95 out of 100
6. Principle of computer science
Plan and Budget Ministry, Tehran, Iran, 1984.
Score: 95 out of 100
7. Principle of computer programming
Plan and Budget Ministry, Tehran, Iran, 1984.
Score: 90 out of 100
8. Computer job control language (JCL)
Plan and Budget Ministry, Tehran, Iran, 1984.
Score: 19 out of 20
9. Advanced operation research
Plan and Budget Ministry, Tehran, Iran, 1984.
Score: 60 out of 100
10. FORTRAN programming
Plan and Budget Ministry, Tehran, Iran, 1985.
Score: 91 out of 100
11. Financial programming
International Monetary Fund (IMF), course held at Tehran, Iran, 1991.

Working Experiences

1. Planning expert
Plan and Budget Bureau of Arak Province, Arak, Iran, 1982-1983.
2. Supervisor of research department
Plan and Budget Bureau of Arak Province, Arak, Iran, 1982-1983.
3. Senior expert of planning
Regional Planning Bureau, Plan & Budget Organization, Tehran, Iran, 1983-1990.
4. Economic advisor
Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1989-1995.
5. Assignee of Minister of Finance and Economic Affairs
at the Supreme Committee for Computerization of Taxation System, Ministry of Finance and Economic Affairs, Tehran, Iran, 1990-1992.
6. Supervisor of Computer Center
Economic Affairs Deputy, Ministry of Finance and Economic Affairs, Tehran, Iran, 1989-1995.
7. Assignee of Minister of Finance and Economic Affairs
at the Committee for Assessment of Fiscal Position of Social Security Organization Ministry of Finance and Economic Affairs, Tehran, Iran, 1994.
8. Economic Advisor and Member of Senior Economists Sessions
Research Center of the Parliament, Tehran, Iran, 1994-1995.
9. Economic Advisor
Deputy of Economics and Technology, Center for Strategic Studies, Office of President, Tehran, Iran, 1995.
10. Editor
Domestic economic Editor of the Journal "Tazehaye Eghtesad" (Economic Novels), A monthly review of science, economics and banking; Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 1998-1999.
11. Supervisor of Government Budget Desk
Research Center of the Parliament, Tehran, Iran, 1998-1999.
12. Financial Analyst and Production Consultant
Ahwaz Rolling & Pipe Mills Co., Ahwaz, Iran, 2001-2002.

13. Consultant of research project:
Territory management of the influence region of South Pars Gas Domain. Gueno Consulting Engineers. Tehran, Iran 2002.
14. (Research) Professor of Economics and Director of Foreign Exchange and International Researches Department
Monetary and Banking Research Academy of Central Bank of Iran, Tehran, Iran, 2002-2005.
15. Financial Consultant
Construction and Industry Holding Company affiliated to Bank Melli Iran Holding Company, 2004.
16. Economic Consultant
Institute for Trade Studies and Research, Ministry of commerce, Tehran, Iran, 2004-....
17. Economic Consultant
Bank Maskan Research Institute, Bank Maskan, Tehran, Iran, 2006-2007.
18. Economic Consultant
Post Research Institute, Ministry of ICT, Tehran, Iran, 2006-2007.
19. Economic Consultant: Designing Profit and Loss Sharing Islamic Banking
Bank Melli Iran Planning and Research Institute, Bank Melli Iran, Tehran, Iran, 2007-

Research Projects Management and Supervision

20. Designer of statistical model in research project:
Measuring Mental Disasters Caused by Iran-Iraq War.
Psychology Institute and the Commission for Measuring the Damages of Imposed War, Plan and Budget Organization, Tehran, Iran, 1985.
21. Director of the 1st stage of the 6th phase of research project:
Identification of Deprived Areas of Iran.
Deputy of regional affairs, Plan and Budget Organization, Tehran, Iran, 1986.
22. Director of the 2nd stage of the 6th phase of research project:
Identification of Deprived Areas of Iran.
Deputy of regional affairs, Plan and Budget Organization, Tehran, Iran, 1987.
23. Designer of the mathematical model of the research project:
Simultaneous Computation of Preferred Prices and Number of Land Pieces in Non-Beneficial Land Preparation Project of the Country of Astar.
Noy Consulting Engineering Company. Ministry of Construction, Tehran, Iran, 1988.
24. Designer of mathematical model of research project:
Determining Desired Number of Cinemas for Iran Urban Regions.
Naghsh Consulting Engineering Company, Farabi Cinema Foundation. Ministry of Culture, Tehran, Iran, 1988.
25. Director of research project:
Iran Macro-Economic Data Bank.
Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1991-1993.
26. Co-director of research project:
Appropriate Monetary Policy for Economic Stabilization in Iran.
Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, Phase I, 1991-1992.
27. Co-director of research project:
Appropriate Monetary and Exchange Rate Policy for Economic Stabilization in Iran (Emphasizing Adjustment Policies).
Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, Phase II, 1992-1993.
28. Co-director of research project:
Introducing Value Added Tax (VAT) System for Iran.
Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1992-1993.

29. Co-director of research project:
Projective Transformation in Riemannian Spaces and its Application in Economic Planning.
School of Mathematics and Computer, Amir-Kabir Industrial University, Tehran, Iran, 1992-1993.
30. Supervision on research project:
Estimating Economic Effects of Military Expenditures in the World.
Imam Hossein University, Tehran, Iran, 1994.
31. Director of research project:
Assessment of 1375 (1996) Government Budget Proposition Bill to the Parliament. Organization for inspection and supervision on prices and distribution of goods and services, Ministry of Commerce, Tehran, Iran, 1995.
32. Director of quantitative section team of research project:
Foreign Trade Models and the Effects of Joining World Trade Organization in Industrial Sector of Iran.
Industrial Management Institute, Ministry of Industry, Tehran, Iran, 1995-1996.
33. Supervision on research project:
Assessment of Price Control Policies in Iran.
Economic Research Institute of Tehran University, Organization for inspection and supervision on prices and distribution of goods and services, Ministry of Commerce, Tehran, Iran, 1996.
34. Director of research project:
Iran Macro-Econometric Model.
Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 1996.
35. Director of research project:
Revision, Computerization, Adjustment and Reconciliation of the Iran's National Income Accounts for Period 1959-1995.
Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 1996.
36. Director of research project:
Revision, Computerization and Reconciliation of the Iran's Monetary Accounts for Period 1959-1995. Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 1996.
37. Director of research project:
Defining Economic Indices. Parliament Research Center, Tehran, Iran, 1996.
38. Consultant of the research project:
Development Strategy for Informatics in Iran.
Amir-kabir Technology University, Tehran, Iran, 1999.

39. Director of the research project:
Modeling for Simulating the Situation of Cement Production of Fars-Khozestan Cement Company.
Fars-Khozestan Cement Company, Tehran, Iran, 1999.
21. Director of the research project:
Determination of Better Exporting Markets for Iran's Gas and its Pricing and the Optimal Gas Consumption at Domestic Economy.
Institute for International energy studies, 2000.
40. Director of research project:
Analytical-Financial Evaluation for Increasing Ahwaz Rolling & Pipe Mills Company Capital.
Ahwaz Rolling & Pipe Mills Co., Ahwaz, Iran, 2001.
41. Director of research project:
Policies for Improvement of Economic and Organizational Structure of Ahwaz Rolling & Pipe Mills Company.
Ahwaz Rolling & Pipe Mills Co., Ahwaz, Iran, 2001.
42. Director of research project:
Parallel Exchange Market Control by Monetary Targeting and Complementary Policies.
Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 2002.
43. Director of research project:
Iran Macro-Econometric Model, version 5. Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 2002-2004.
44. Director of research project:
Iran Macro-Econometric Model prepared to link to the United Nations LINK project.
Monetary and Banking Research Academy, Central Bank of Iran, Tehran, Iran, 2002-.
45. Director of research project:
Effects of Joining World Trade Organization on Cement of Iran.
Cement Research and Planning Center, Amir-Kabir Industrial University, Fars-Khozestan Cement Company, Tehran, Iran, 2005. Tehran, Iran, 2003-2004.
46. Director of research project:
Economics of Iran's cement price.
Fars-Khozestan Cement Co., Tehran, Iran, 2004.
47. Scientific director of the seminar:
Economics of Iran's cement.
Amir-Kabir Industrial University, Cement producers Association, Tehran, Iran, 27, September, 2005.

48. Director of the project:

Calendar analysis of some main commodities price fluctuations. Case study: Monthly data analysis of meat, chicken and egg prices.

Institute for Trade Studies and Research, Ministry of commerce, Tehran, Iran, 2006.

49. Director of the project:

Iran and world trade outlook. A part of the project: Design of long-term strategies for management of territory in commerce sector.

Institute for Trade Studies and Research, Ministry of commerce, Tehran, Iran, 2008.

50. Director of the project:

Iran's competitive advantages and regional competitors.

Institute for Trade Studies and Research, Ministry of commerce, Tehran, Iran, 2008.

Dissertation Supervision

1. Estimating aggregate investment demand for Iran regarding different production functions.
By F. Savabi Asl, MS. Dissertation, Islamic Azad University, Tehran, Iran, 1994.
2. Estimating aggregate private saving function for Iran.
By F. Arbabi, MS. Dissertation, Islamic Azad University, Tabriz, Iran, 1994.
3. Estimating aggregate private consumption function for Iran.
By D. Naeemi, MS. Dissertation, Islamic Azad University, Tabriz, Iran, 1994.
4. Constructing econometric model to estimate cereals production functions of Iran.
By M. Sarafzadeh, MS. Dissertation, Islamic Azad University, Tehran, Iran, 1998.
5. Examining the effect of price change on one sector on cost of production of other sectors by using Input-Output table technique.
By S. Rezatehrani, MS. Dissertation, Islamic Azad University, Tehran, Iran, 1998.
6. Dual exchange markets in Iran and monetary policy.
By S. Khoshnevis Yazdi, Ph.D. Dissertation, Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Poonak, Tehran, Iran, 1999.
7. Iran's strategy confronting inflation, considering its causes and roles in national security.
By S. S. M. Ameliyan, Ph.D. Dissertation, Faculty of strategic management, University of National Defense, Tehran, Iran, 2001.
8. Comparative survey of traditional and electronic banking services in Iran.
By M. Allahyari, M.S. Dissertation, Faculty of Economics and Finance, Islamic Azad University, Tehran, Iran, 2003.
9. Substituting Dollar by Euro in foreign transactions on Iran's foreign trade.
By A. Zamani, M.S. Dissertation, Faculty of Economics, Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Poonak, Tehran, Iran, 2004.
10. Forecasting world oil price.
By K. Peykarjou, Ph.D. Dissertation, Faculty of Economics, Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Poonak, Tehran, Iran, 2006.
11. Relation of interest rate and exchange rate in Iran.
By M. Rabeei, Ph.D. Dissertation, Faculty of Economics, Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Poonak, Tehran, Iran, 2006.

12. Economic synchronization in OPEC's countries.
By B. Shayegani, Ph.D. Dissertation, Faculty of Economics, Al-Zahra University. Tehran, Iran, 2007.
13. Effects of inflation on income distribution in Iran.
By M. Shirijian, MS. Dissertation, Islamic Azad University, Tehran, Iran, 2008.
14. Generalization of Markowitz theory for stock basket optimization.
By F. Savabi Asl, Ph.D. Dissertation, Faculty of Economics, Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Poonak, Tehran, Iran, 2008.
15. Relation between Liquidity growth and inflation in Iran, during the years: 1966-2006.
By S. F. Alhossainee, MS. Dissertation, Faculty of Economic and Social Sciences, Al-Zahra University, Tehran, Iran, 2008.

Teaching Experiences

1. Applied mathematics for engineering.
BS. level, electronic engineering, Arak Institute of Technology, Arak, Iran, 1983.
2. Applied mathematics for economics.
MS. level, economics, Islamic Azad University, Tehran, Iran, 1987.
3. Applied mathematics for economics.
BS. level, economics, Allameh Tabatabai University, Tehran, Iran, 1989.
4. Time series analysis, forecasting and control.
MS. level, industrial engineering, Islamic Azad University, Tehran, Iran, 1991.
5. Econometrics.
MS. level, economics, Islamic Azad University, Tabriz, Iran, 1992.
6. Econometrics.
BS. level, economics, Allameh Tabatabai University, Tehran, Iran, 1993.
7. Microeconomic theory I.
MS. level, economics, Islamic Azad University, Arak, Iran, 1993.
8. Microeconomic theory II.
MS. level, economics, Islamic Azad University, Arak, Iran, 1993.
9. Econometrics.
MS. level, economics, Islamic Azad University, Arak, Iran, 1994.

10. Microeconomic theory II.
MS. level, economics, Islamic Azad University, Arak, Iran, 1995.
11. General Econometrics I.
MS. level, economic development, Islamic Azad University, School of graduate studies, Tehran, Iran, 1995.
12. General Econometrics II.
MS. level, economic development, Islamic Azad University, School of graduate studies, Tehran, Iran, 1995.
13. Econometrics I.
MS. level, systems planning, Islamic Azad University, School of graduate studies, Tehran, Iran, 1996.
14. Econometrics II.
MS. level, systems planning, Islamic Azad University, School of graduate studies, Tehran, Iran, 1996.
15. Econometrics.
Ph.D. level, Economics, Payame Nour University, School of graduate studies, Tehran, Iran, 2009.
16. Visiting Professor of Economics. Islamic Azad University, Science and Research School, (Doctoral and Graduate Department of Economics), Tehran, Iran.

Computer Experience

1. Working experience on mainframe computers networks with different operating systems of OS/VS, MVS since 1979 up today.
2. Working experience on personal computers with different operating systems of DOS, OS/2 and Windows and networks since 1981 up today.
3. Working experiences on many mainframe and PC languages and packages with different versions as:
 - ABC-Flowchart
 - BASIC
 - E78+ (Terminal Emulation Program)
 - EinPack (Eigen System Packages)
 - EViews (Econometric Views)
 - FORTRAN (FORmula TRANSformation)
 - ISPF (Integrated System Programming Facility)
 - JCL (Job Control Language)
 - LinPack (Linear System Package)
 - Mainframe utilities
 - MathCAD (Mathematical Computer Aided Design)
 - MATLAB (Mathematical Laboratory)
 - Micro-TSP (Time Series Processor for personal computers)
 - MPSX (Mathematical Programming System Extended)
 - MS-Office (Micro-Soft Office)
 - Adobe Suite CS3
 - SPSS (Statistical Package for Social Sciences for mainframe computers)
 - SPSS-pc (Statistical Package for Social Sciences for personal computers)
 - SSP (Scientific Subroutine Package)
 - StatGraph (Statistical Graphic System)
 - TSP (Time Series Processor for mainframe computers)
 - TSP-386 (Time Series Processor for personal computers)
 - HTML (HyperText Markup Language)

Publications in Farsi Language

- 1) Analysis of taxonomy (method of classifying homogeneous groups) in classification of regions for regional planning, Plan and Budget Bureau of Central Province, Arak, Iran, 1983. <http://www.bidabad.com/doc/principal-comp.html>
- 2) Discorrelation of provincial development budget allocations with deprived indices, Plan and Budget Bureau of Central Province, Arak, Iran, 1983.
- 3) Analysis of principal components in creating development indices for regional planning, Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1983. <http://www.bidabad.com/doc/principal-comp.html>
- 4) Goal programming (process of optimal decision making with different priorities) and its computer based solution, 1st print by Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1984; 2nd print by Roodaki Publisher, (book) 1990.
- 5) Zero-One programming (process of optimal decision making with bivalent variables) and its computer based solution, 1st print by Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1984; 2nd print by Roodaki Publisher, (book) 1990.
- 6) Industrial location analysis for the year 2002 by using goal programming method, Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1984.
- 7) Growth and development alternatives model of Iran, 1986-2002 prospects, Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1985.
- 8) Dynamic model of population (mathematical model of analysis and forecasting demographic changes in Iran), Regional Planning Bureau of Plan and Budget Organization, Tehran, Iran, 1988.
- 9) Mathematical model of simultaneous computation of preferred prices and number of land pieces in non-beneficial land preparation projects. Economics and Management Journal, Islamic Azad University, vol. 2, summer 1989, pp. 38-49.
- 10) Dual exchange markets, budget deficit and economic stabilization, Economics and Management Journal, Islamic Azad University, vol. 4, Spring 1990, pp. 23-29, Tehran Iran.
- 11) Micro-Macro analysis of migration and trade, Economics and Management Journal, Islamic Azad University, vol. 7, Winter 1991, pp. 59-68, Tehran Iran.
- 12) Discrete and continuous L_1 norm regressions (proposition of discrete approximation algorithms and continuous smoothing of concentration surface), Ph.D. dissertation, Islamic Azad University, Tehran, Iran, 1989, Farsi Translation, reprinted by School of graduate studies, Islamic Azad University, Tehran, Iran, 1990.

- 13) (Book) Difference equations and dynamic stability of equilibrium.
<http://www.bidabad.com/doc/difference-equations.pdf>
- 14) Monetary roots of inflation in Iran and accessibility of the goals of the "Iran's Five Years Economic Plan" in monetary sector. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1991. Reprinted in Economic Journal, Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, vol. 1, pp. 25-46, vol. 2 pp. 13-25, vol. 3, pp. 2-16, 1993.
- 15) Accessibility of the goals of the "Iran's 1st Five Years Economic Plan" in foreign trade sector. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1991. Reprinted in Economic Journal, Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, vol. 4, pp. 33-40, vol. 5 pp. 9-26, vol. 6, pp. 25-33, 1993.
- 16) Appropriate monetary policy for economic stabilization in Iran. Research project no. 111. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, Phase I, 1992. Reprinted (book) by Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, 1994. Reprinted in Economic Journal, Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, vol. 4, pp. 2-14, vol. 5 pp. 2-12, vol. 6, pp. 2-9, vol. 7 pp. 2-7, 1996.
- 17) The effects of exchange rate adjustment and cutting subsidies on consumer price index and government budget in Iran. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1992.
- 18) Proposition of general organizational structure for the safety net Program in Iran. Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1992.
- 19) Introducing value added tax system for Iran, Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1993. Reprinted (book) by Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, 1996.
- 20) Appropriate monetary and exchange rate policy for economic stabilization in Iran (emphasizing adjustment policies), Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, Phase II, 1993. Reprinted (book) by Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, 1996.
- 21) The effect of inflationary finance on prices and government fiscal structure in Iran (measuring the previous years effects and analyzing scenarios of the 2nd economic, social and cultural development plan of Islamic Republic of Iran); Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, Tehran, Iran, 1994. Reprinted in Economic Policies Researches Journal, Deputy of Economic Affairs, Ministry of Finance and Economic Affairs, vols. 1,2, pp. 72-94, 1996.
- 22) Accessibility of the goals of the "Iran's 2nd Five Years Economic Plan" in government sector. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1994.

- 23) Changes in Iran's banking system for one decade. Parliament and Research, Journal of Research Center of the Iran's Parliament, No. 9, 2nd year, pp. 17-52, Tehran, Iran, 1994.
- 24) Analysis of built models for appropriate monetary policy for economic stabilization in Iran, Parliament and Research, Journal of Research Center of the Iran's Parliament, No. 9, 2nd year, pp. 59-95, Tehran, Iran, 1994.
- 25) A long-run macroeconometric model for Iran to evaluate the 2nd five years plan. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1995.
- 26) Relationship of details of sources and uses accounts of banks with monetary, fiscal and foreign sectors and discrepancies in the economic report and balance sheet of the Central Bank of Iran. Ministry of Finance and Economic Affairs, Deputy of Economic Affairs, Tehran, Iran, 1994.
- 27) Economic certainty and investment barriers in Iran. Research Center of the Iran's Parliament, report no. 2400617, Tehran, Iran, 1995.
- 28) Some discrepancies in monetary, fiscal and foreign sectors accounts in the economic report and balance sheet of the Central Bank of Iran. Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1995.
- 29) A glance at the position and performance of the Strategic Studies Center, Deputy of Economics and Technology, Strategic Studies Center, Office of President, 1996.
- 30) Does deficit financing by seigniorage finance government budget deficit? Report no. 1 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1995. Reprinted under the title: The results of deficit financing by seigniorage; Tazehaye Eghtesad, the monthly review of science, economic and banking, pp. 12-15. no. 73, September 1998. Monetary and Banking Research Academy, Central Bank of Iran.
- 31) Does inflation reduction due to money targeting cause reduction in Iran's economic growth? Report no. 2 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1995. Reprinted under the title: Relation of level of liquidity and production in Iran; Tazehaye Eghtesad, the monthly review of science, economic and banking, pp. 6-8. no. 74, January 1999. Monetary and Banking Research Academy, Central Bank of Iran.
- 32) Does inflation of Iranian economy have any other basic causes rather than money expansion? Report no. 3 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1995. Reprinted in "Tazehaye Eghtesad", the monthly review of science, economic and banking, pp. 4-7. no. 76, May 1999. Monetary and Banking Research Academy, Central Bank of Iran.

- 33) Do monetary instruments of the Central Bank of Iran suffice to control the level of liquidity? Report no. 4 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1996. Revised and Reprinted under the title: "Central Bank monetary instruments and liquidity level control" in "Tazehaye Eghtesad", the monthly review of science, economic and banking, pp. 8-11. No. 80, September 1999. Monetary and Banking Research Academy, Central Bank of Iran.
- 34) Is continual increase of foreign exchanges rates caused by continual increase in liquidity? Report no. 5 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1996. Reprinted under the title: Relation of level of liquidity and foreign exchange rate in Iran; Tazehaye Eghtesad, the monthly review of science, economic and banking, pp. 46-49, no. 78, July 1999. Monetary and Banking Research Academy, Central Bank of Iran.
- 35) Is flight and leakage of capital from Iran negligible? Report no. 6 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1996.
- 36) Does the education sector of Iran need to be replanned? Report no. 7 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1996. Reprinted under the title: The need of education sector of Iran to replanning, part i, Tazehaye Eghtesad, the monthly review of science, economic and banking, pp. 13-16. No. 74, January 1999, part ii, pp. 11-15, May 1999. Monetary and Banking Research Academy, Central Bank of Iran.
- 37) Without economic certainty can we expect to increase private investment? Report no. 8 of the macroeconomic problems of Iran, Deputy of Economics and Technology, Center for Strategic Studies, Office of President, 1996.
